

Welcome to Harlow Club Lambs

Brad and Robin both grew up in SW Oklahoma and showed market lambs in high school and Brad later went on to work at the sheep barn while attending Oklahoma State.

We knew that we wanted to raise our kids in the livestock industry. Once our kids were old enough to show, we started lambing a few ewes and over the past 12 years, we have gradually added to our flock using proven genetics to continue to improve our flock. The majority of our ewes are from commercial ewes that either Kinder or Addison showed.

After numerous bucks, last year we decided to further invest by Aling our entire flock to Unicorn. We loved the results and chose to continue this year using Hurrah and Gorilla. The majority of our flocks goes back to Hindman/Middlesworth genetics.

Over the course of the last 7 years, we have been fortunate to have raised 3 of the Grand Champion ABLs, and two of the Reserve Grand Champion ABLs at the Arkansas State Fair. In 2019, we were proud to have raised the overall Reserve Grand Champion at the Arkansas State Fair that went on to top placings in several national shows.

Many have asked what the future holds for Harlow Club Lambs since Kinder and Addison have completed their show careers. We are going to continue to raise relevant market lambs that we hope will continue to excel in the ring. Our set of 2022 market lambs out of Hurrah and Gorilla are looking good and we look forward to visitors in early April!

If you would like to come look at lambs, call or text Brad at (479)841-2245.
