

Arkansas State Sheep Council
Winter Meeting
January 5, 2019

Meeting Called to order by Mike Reynolds.

With uncertainty of state fair spring show- to help keep numbers up at the State Spring Show. The AJSC account will \$1000 to the top 5 ABL lambs instead of the normal \$400 for Grand Champion and Reserve Champion.

Separate funds of Sheep Council
Arkansas State Sheep Council- general funds
Junior Sheep Council- Market lambs/market Kids
Breeding Junior Council- Registered Stock

General funds- required fees to pay
ASI- Dues- \$400
Website- \$414
ASSC Scholarship- We will continue-
\$1000- from popper sales- \$500 each to breeding and market
State Spring Show- Market- so \$1000 for ABL – for spring show. Which includes the \$500 from popper and \$500 from tags – ear marked for show from tags.

2018 And prior years ABL tags were \$15/each to the breeder. Several breeders do not want to over buy tags so buy a few at a time. To reduce frequency of trips to mailbox – there will be a change in the charge to tags.

*Breeders can order tags \$2/each- when they sell a lamb that is to be nominated they will send in \$15 for each lamb nominated and add the appropriate information to the cloud file.

Breeder Example- minimum \$30 breeder membership or \$60 breeder membership with listing on ASSC Website then breeder expects 20 lambs born- so orders 20 tags for 2/each= \$40 + \$10 shipping, but only sells 10 lambs to be in ABL- so breeder will send in \$150 and fill out on line form/cloud for the 15 sold.

Youth Example- \$15 membership fee + \$15 for each lamb nominated for ABL point/shows.

Youth Breeder Example- apply Deadline for breeder scholarship- if awarded then \$30 breeder fee covered- youth orders #tags of lambs born they will nominate- \$15 youth membership fee + \$2/tag + \$10 shipping + \$30 for both ABL nomination fee from breeder and exhibitor fee.
